AMERICAN LANDMASTER BECOMES OFFICIAL RUMBLE IN FORT WAYNE UTV

Columbia City, IN Manufactured Units Will Keep the Show Moving Quickly

FORT WAYNE, IN (Oct. 18, 2021) – Officials of the Rumble in Fort Wayne will be using utility task vehicles (UTV) supplied by American Landmaster in numerous capacities December 17 and 18 to keep the Jason Dietsch Trailer Sales sponsored indoor racing event moving quickly and smoothly.

Located in nearby Columbia City, IN, American Landmaster manufactures multiple lines of gas-powered and electric UTV's under the motto of American Made-American Strong. The company prides itself in supporting American jobs by exclusively using U.S. suppliers.

Of primary use for the American Landmaster UTV's will be push-starting the Midget division as they are direct-drive and do not utilize clutches or transmissions. Additionally, several members of the safety team will be aboard an American Landmaster UTV.

Joining the Midget division in each full day of racing competition will be Winged and Non-Winged 600 Midgets, along with multiple classes of Quarter Midgets and Go-Karts. This year's action will mark the 23rd running of the Rumble in Fort Wayne on a purposely built 1/6 mile concrete surfaced oval inside the massive Allen County War Memorial Coliseum Expo Center.
