Please keep in mind that the Rumble in Fort Wayne is NOT your typical 'club' event, and this unique program may not be for everyone. It is a fast-paced program that is conducted consistent to the other participating divisions. It is considered by many to be the perfect training ground for those drivers looking to move to the 'next level' of racing. It introduces a new intensity of speed, sharpens driver reactions and even teaches a bit of drafting while competing on an oval much larger than traditional QM tracks.
