FOR IMMEDIATE NEWS RELEASE

HARD CHARGER AWARD AWAITS NON-WINGED 600cc MIDGET RACERS AT RUMBLE
Richmond's Small Town Sprayers to Present \$150 to Driver Passing Most Cars

FORT WAYNE, IN (November 25, 2025) – A new bonus awaits the LiUNA non-winged 600cc Midget racers on Saturday night (Dec. 20) of this year's Rumble in Fort Wayne presented by Jason Dietsch Trailer Sales. The driver passing the most cars from start to finish will receive \$150 from Small Town Sprayers of Richmond, IN.

The racing action is tough on the concrete 1/7-mile purpose-built oval inside the Allen County War Memorial Coliseum Exposition Center, and it takes a three-fold combination of skill, luck and precision. Says Rumble multi-time winner John Ivy (Fremont, OH), "the passing game at the Rumble can be a challenge; all of the cars are so equal and with each lap clicking off in less than 9 seconds, you have to be on top of your game, but it can be done. As a driver, I love the challenge."

About the award and why they are stepping forward to present it, Cory Gindling of Small Town Sprayers adds, we deeply admire those who never give up and keep pushing forward, no matter the odds. We chose the 600cc non-winged Midgets because this has been the family favorite and we spend a lot of time traveling to watch this class compete."

Serving the Wayne County (IN) area, Small Town Sprayers offers expert soft wash and pressure washing services for nearly every surface – including farm equipment, fencing, homes, driveways, sidewalks, and even headstones.

Saturday's racing action for the LiUNA non-winged 600cc Midgets will also include the full-sized Midgets, North Baltimore Custom Cuts winged 600cc Midgets, six divisions of BRE Racing Engines Tires/Wedge Innovation Wedge Karts. All of them will also be racing the day before – Friday, December 19 in the annual once-a-year indoor racing extravaganza.
