

## 2021 KID KART SPECIFICATIONS

Note: We are returning the Kid Kart class to the Rumble in Fort Wayne presented by Jason Dietsch Trailer Sales because we know how excited tomorrow's superstars get when they race before a large crowd. BUT, we are doing this with the understanding that the kids just want to have fun and race against each other. This is not about who can spend the most money, or twist the specs the most to get their child into victory lane. It is NOT about YOU, it IS about THEM. Just let them have fun. We purposely had omitted the class from the schedule because of the parents and their desire to, in plain words, cheat. But we have learned how important the race is to the kids and we don't want to cheat them out of this opportunity, so let's all agree to let them have fun.

**engine:** WKA Comer 50/51, Harbor Freight Box Stock 79cc Predator Clone

**restrictor:** restrictor is required (WKA Comer, 79cc red)

**tires:** no tire rule

**gear rule:** 10/89 Comer, 12/67 79cc

**air filter:** may be replaced

**pipe:** pipe must bend toward the rear of the kart, not upwards

Just keep it simple and stock and you will be fine.

There will be no entry fee. Kid Karts will race both days for participation trophies and medals. At the time of Draw/Registration, each Kid Kart will receive a \$20 refund of their pit pass, courtesy of Jason Dietsch Trailer Sales.
